

LIST OF FIGURES AND TABLE

	PAGE
Figure 1: Actual Sample Compared to Target Sample Size by Groups	11
Figure 2: Sampling Distribution for Year 2002 Compared to Year 2000	12
Figure 3: Public Perceived Knowledge on Various General and S&T Issues – Series Data	13
Figure 4: Level of Public Perceived Knowledge and Interest – 2002	14
Figure 5: Public Perceived Knowledge on General and S&T Issues by Selected Groups – Series Data	15
Figure 6: Public Level of Perceived Interest in General and S&T Issues – Series Data	16
Figure 7: Level of Public Interest in General and S&T Issues by Selected Groups – Series Data	17
Figure 8: Public Agreement Towards Impact of S&T – Series Data	18
Figure 9: Percentage Who Agreed with the Positive Impact of S&T on the Quality of Life – 2002	20
Figure 10: Respondents who Agreed with the Impact of S&T on Quality of Life – Series Data	20
Figure 11: Level of Agreement on Impact of S&T on Quality of Life – 2002	21
Figure 12: Percentage who Agreed on Positive Impact of S&T on Quality of Life – Series Data	22
Figure 13: Perception on Selected Issues – 2002	23
Figure 14: Perception on Benefits and Harm of Scientific Research to Society – Series Data	23
Figure 15: Awareness of Genetic Engineering and Cloning – 2002	24
Figure 16: Agreement that Genetic Engineering and Cloning should be Practised – 2002	25
Figure 17: Reasons Why Genetic Engineering and Cloning should or should not be Practised – 2002	26
Figure 18: Level of Agreement that S&T is Important for Development – 2002	27
Figure 19: Level of Agreement that More Funds be Allocated for S&T rather than for Defence and Welfare – 2002	28

Figure 20:	Percentage of Respondents Who Have Heard about MSC Projects – 2002	29
Figure 21:	Percentage of Respondents Who Can Name the Flagships of the MSC – 2002	29
Figure 22:	Respondents Who Agreed on the Contribution of Progress and Development in S&T Towards Various Sectors – 2002	30
Figure 23:	Reasons for Decrease in Interest to Venture in the Field of S&T – 2002	30
Figure 24:	Perception on Government's Efforts Towards Selected S&T and General Issues – 2002	31
Figure 25:	Public Opinion on Government Support of Several S&T Activities – Series Data	32
Figure 26:	Perception of Knowledge on Government's S&T Education Policies – Series Data	33
Figure 27:	Percentage of Correct Answers to S&T Terms and Concepts – Series Data	34
Figure 28:	Public Understanding of S&T Terms and Concepts – 2002	35
Figure 29:	Public Understanding of S&T Terms and Concepts by Selected Variables – Series Data	36
Figure 30:	Awareness, Subjective and Objective Understanding of Environmental Terms and Concepts by Items – 2002	36
Figure 31:	Understanding Environmental Terms and Concepts – Series Data	37
Figure 32:	Awareness, Subjective and Objective Understanding of Environmental Terms and Concepts – 2002	38
Figure 33:	Subjective Vs. Objective Understanding of Environmental Terms and Concepts – Series Data	39
Figure 34:	Percentage of Correct Answers to Environmental Terms and Concepts by Age Group, Gender, Locality and Level of Education – Series Data	40
Figure 35:	Sources of General Information – 2002	41
Figure 36:	Sources of General Information – Series Data	42
Figure 37:	Sources of S&T Information – 2002	43–44
Figure 38:	Most Watched Local TV Programmes – 2002	45
Figure 39:	Most Watched International TV Programmes – 2002	46
Figure 40:	Most Watched Local and International TV Programmes – Series Data	47

Figure 41:	Most Read Local Items in Newspapers – 2002	48
Figure 42:	Most Read Local Items in Newspapers – Series Data	49
Figure 43:	Most Read International Items in Newspapers – 2002	50
Figure 44:	Most Read International Items in Newspapers – Series Data	51
Figure 45:	Most Listened Radio Programmes – Series Data	52
Figure 46:	Magazines Readership by Selected Groups – 2002	52
Figure 47:	Magazines Readership by the Public – Series Data	53
Figure 48:	Locations where the Internet is Accessed From – 2002	54
Figure 49:	Level of Trust on Sources of Information on S&T – Series Data	54
Figure 50:	Percentage of Respondents who Have Visited Places of S&T Interest at Least Once – 2002	55–56
Figure 51:	Location of S&T Facilities – 2002	57
Figure 52:	Percentage of Awareness, Participation, Effectiveness of S&T Programmes – 2002	58
Figure 53:	Percentage of Correct Answers to Selected S&T Terms and Concepts for Selected Countries	59
Figure 54:	Comparative Distribution of S&T Total Marks for Malaysia and Europe – 2002	60
Figure 55:	S&T Knowledge Index for Europe and Malaysia – 2002	60
Figure 56:	Mean Percentage of S&T Correct Marks for USA & Malaysia	61
Figure 57:	Perception on Knowledge and Interest for Selected Countries	61
Figure 58:	Main Sources of S&T Information for Selected Countries	62
Figure 59:	Most Watched Programmes in Malaysia & Europe – 2002	63

TABLE

Table 1	Mean Public Percentage of Correct Answers to S&T Terms and Concepts	33
---------	---	----
